GAIL

PAB is a CSR initiative of GAIL (India) Ltd, a Maharatna Central Public Sector Enterprise, incorporated in August 1984 under the Ministry of Petroleum & Natural Gas (MoP&NG).. GAIL has been actively initiating CSR activities, for carefully chosen social welfare programmes. Today, CSR & sustainability development is accorded high priority in the organizational ethos and attempted to be interwoven in all the business activities and the projects that are being undertaken by the company.

With its project Padho-Badho GAIL envisages to mainstream at least 50,000 under privileged children in government schools through its Non formal Education Centres for out-of-school children

PAB

Padho aur Badho is an initiative to prepare and mainstream out-of-school children into formal schools. It is one of the pioneering programmes being implemented by AROH, in association with GAIL- an intervention in the field of education, offering preparatory schooling and care to the out-of-school children, between 6-14 years of age. The project is being implemented in slums of Delhi/NCR. Since its inception in February 20010, till date Padho aur Badho has grown in scale and coverage – starting initially with 30 children in 2008, in one centre in NOIDA. Today there are 5 clusters of 50 centres each in NOIDA/East Delhi, Ghaziabad, South Delhi, West Delhi and North-East Delhi with a total of 7500 children enrolled in 250 centres.

AROH

AROH Foundation is an ISO 9001:2008 Certified, non-governmental, registered Society under Societies Registration Act XXI 1860, formed by a group of likeminded professionals and academicians from various segments of the Society. AROH aims to provide effective assistance to rural, weaker and poor communities, and especially women within these communities, by developing their life-skills, economic-skills and socio-cultural-skills, thereby creating model communities in which all are self-reliant.

AROH's overarching mission is to create an equitable society where all human beings coexist with dignity. For more than 12 years now, AROH Foundation has been, and continues to be involved in meaningful, empowerment-driven initiatives that distinctly impact the quality of life of the weaker sections of the society.
