

Job Title: Thematic Expert for Holistic Rural Development

Location: Mon, Nagaland District, India

Position Type: Full-Time

Remuneration: As per market standards.

About the Organization: AROH Foundation is a non-profit organization committed to promoting holistic rural development in the Mon of Nagaland District. Our mission is to empower local communities, preserve the environment, and improve the quality of life in rural areas through sustainable development initiatives.

Job Description: We are seeking a dedicated and experienced Thematic Expert to lead our holistic rural development initiatives in the Mon of Nagaland District. The Thematic Expert will play a crucial role in designing, implementing, and evaluating thematic programs focused on addressing the unique needs and challenges of rural communities in the region.

Key Responsibilities:

1. Thematic Strategy and Planning:

- Lead the development of thematic strategies and action plans in alignment with the organization's mission and objectives.
- Conduct research and analysis to identify key issues, trends, and opportunities for intervention in rural development.

2. Program Design and Implementation:

- Design and implement thematic programs aimed at promoting holistic rural development in areas such as livelihoods, education, healthcare, infrastructure, and environmental sustainability.
- Work closely with community members, stakeholders, and partners to ensure programs are responsive to local needs and priorities.

3. Capacity Building and Training:

- Identify capacity-building needs within rural communities and develop training programs to enhance skills and knowledge.
- Facilitate workshops, seminars, and other capacity-building activities to empower community members and local organizations.

4. Partnership Development and Networking:

- Build and maintain partnerships with government agencies, NGOs, academic institutions, and other stakeholders working in rural development.
- Collaborate with partners to leverage resources, share best practices, and maximize the impact of thematic programs.

5. Monitoring, Evaluation, and Learning:

- Develop monitoring and evaluation frameworks to track the progress and impact of thematic programs.

- Collect, analyse, and report data on program outcomes, challenges, and lessons learned.
- Use findings to improve program effectiveness, document success stories, and share learnings with stakeholders.

6. Advocacy and Policy Influence:

- Advocate for policies and initiatives that support holistic rural development and address the needs of marginalized communities.
- Engage with policymakers, legislators, and other stakeholders to raise awareness and influence decision-making at local, regional, and national levels.

Requirements:

- Bachelor's or Master's degree in a relevant field (e.g., Development Studies, Rural Development, Social Sciences, Environmental Studies, etc.).
- Minimum of 2 Years of experience working in rural development, community empowerment, or related fields.
- In-depth knowledge and expertise in thematic areas relevant to rural development, such as livelihoods, education, healthcare, infrastructure, and environmental sustainability.
- Strong analytical, research, and problem-solving skills.
- Excellent communication and interpersonal skills, with the ability to work effectively with diverse stakeholders.
- Commitment to the values and mission of AROH Foundation and a passion for rural development in the Mon of Nagaland District.

How to Apply: Interested candidates who meet the qualifications are invited to submit their resume along with a photo detailing their relevant experience and passion for rural development in the Mon of Nagaland District. Please apply through the link provided: [AROH Foundation Career Page](#).

Deadline for applications: December 10, 2024.

We appreciate the interest of all applicants in joining AROH Foundation. Only shortlisted candidates will be contacted for interviews.
