

AROH Foundation, an ISO Certified organization of national repute working towards social upliftment in multiple sectors like education, livelihood, health and sanitation, etc., seeks dynamic and motivated professionals with relevant experience.

Position: Agriculture Expert

Location: Sukma, Chhattisgarh

Experience: 3 to 5 years

Remuneration: 33k

Job Summary

The Agriculture Expert will be a key technical resource responsible for planning, implementing, and monitoring all agricultural interventions in the 15 target villages. This includes establishing and strengthening Farmer Producer Organizations and Farmer Groups, setting up Farmer Field Schools, and promoting sustainable agricultural practices such as natural farming, horticulture, drip and solar-based irrigation systems, livestock development, and creating bio-input resource centres.

Key Responsibilities

- Lead the formation and strengthening of FPOs and farmers' groups.
- Provide regular training and handholding support to farmers, FPO board members,
- Organize exposure visits and knowledge-sharing workshops for farmers.
- Plan and establish Farmer Field Schools as platforms for training and demonstration.
- Identify key crops for horticulture interventions based on agro-climatic suitability and market potential.
- Promote natural and zero-budget farming practices including Jeevamrit, Beejamrit, and other traditional inputs.
- Establish and supervise Bio-Input Resource Centers for organic/natural input production and distribution.
- Coordinate the installation of drip irrigation systems and group-based solar irrigation units in consultation with technical vendors and local stakeholders.
- Promote efficient water management practices among farmers through training and demonstration.
- Facilitate planning and implementation of livestock interventions such as breed improvement, fodder cultivation, vaccination drives, and farmer training.
- Collaborate with the animal husbandry department and veterinary experts to improve productivity.
- Maintain detailed documentation of all field activities including progress reports, case studies, and impact stories.
- Ensure timely reporting to the Project Manager with field data, photographs, and analysis.

Skills and Competencies

- Strong leadership and team management skills.
- Critical and creative problem-solving ability.
- Excellent written and verbal communication.
- Attention to detail and a commitment to data accuracy.
- Adaptability to a fast-paced and evolving work environment.
- Willingness to travel to project location

Essential Requirements

- Bike and smartphone.
- Flexibility for travel and extended work hours if needed.

How to Apply

Send your updated CV along with current and expected salary, notice period, and a recent photograph to hr@aroh.in. Only shortlisted candidates will be contacted.

How to Apply:

Interested candidates who meet the qualifications are invited to submit their resume along with a photo detailing their relevant experience through the following link: [Apply Here](#).

We thank all applicants for their interest in AROH Foundation, but only those selected for an interview will be contacted.
